

Wrong direction images

After converting images+json files from "segments_json", have spotted following images that are rotated in wrong directions.

Problem is that image contains half wood and half background (sometimes even more), so rotation could not help.

Image names to check:

1. 1617649654968_B
2. 1617649654968_T
3. 1617649668006_B
4. 1617649668006_T
5. 1617649681059_B
6. 1617649681059_T
7. 1617649693992_B
8. 1617649693992_T
9. 1617649707031_B
10. 1617649707031_T
11. 1617649720059_B
12. 1617649720059_T
13. 1617649733066_B
14. 1617649733066_T
15. 1617649746111_B
16. 1617649746111_T
17. 1617649759159_B
18. 1617649759159_T
