If you've purchased a hosting plan, its activation and setup will start soon (https://www.namecheap.com/support/knowledgebase/article.aspx/148/22/how-long-does-it-take-to-get-my-hosting-account-activated/). Once both are complete, we'll send you a welcome email with your IP address and hosting account information.

If you've purchased an SSL certificate, you will need to enable the SSL on your server (https://www.namecheap.com/support/knowledgebase/article.aspx/10095/67/how-to-enable-an-ssl-certificate/). However, if you purchased a renewal PositiveSSL or EssentialSSL for a domain on Namecheap Shared Hosting, it should be installed automatically within an hour of the purchase.

Premium domains:
Please note that the premium purchase may take 24-72 hours to complete. We might get in touch with you to confirm purchase details. Please see our Knowledgebase(https://www.namecheap.com/support/knowledgebase/article.aspx/9990/35/what-is-a-premium-domain) for more information.

we'll let you know. If it's required,
please obtain the Auth Code from your
previous registrar and enter it via your
Account Panel.

Renewals:
We strongly encourage you to select auto-
