Yes %

The debt collector company discovered that it is possible to increase the Inkasso conversion rate by 17% by applying the following strategies:

- 1. Start the conversation with kind words and official greeting "Mr Urtans, how are you doing ".
- 2. Ensure that the client himself says what and when the "next action" or "next payment" will be.
- 3. Use empathy in voice, if client is sad then agent should also adapt.
- 4. If the client says he has "no time" 24% more likely to pay the debt, those who have time to talk are less likely to pay the debt.

Ask the right amount of questions

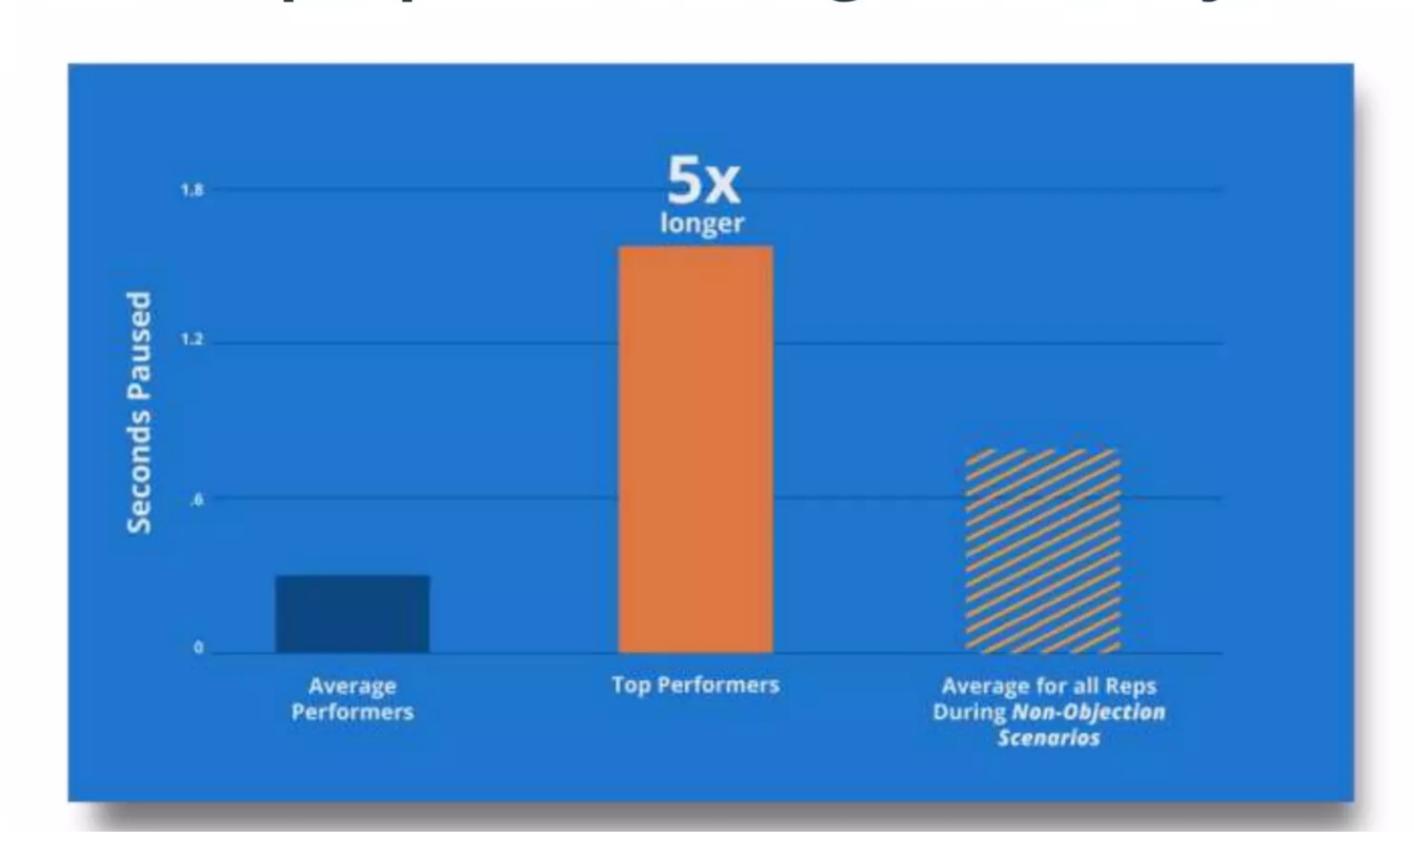

The customer service company (Locksmith) discovered that it is possible to increase the conversion rate by 5% by applying the following strategies:

- 1. It is more likely to close the deal if the agent gives "educational advice" or "consultation" about materials, methods, etc. rather than give price straight away
- 2. More likely to close deal if prolong conversation and delay pricing topic.
- 3. If you client is objecting the price, ask for the **budget** and, if possible, offer a discount.
- 4. If cancelation, then ask for reason, in 3% cases using questions possible to win back deal
- 5. It is more likely to close deal when using empathy in voice, if client is sad then agent also should adapt.
- 6. It is more likely to close deal when using words of comfort.
