Our clients

Case study #1

The debt collector company discovered that it is possible to increase the Inkasso conversion rate by **17%** by applying the following strategies:

1. Start the conversation with kind words and official greeting "**Mr Urtans, how are you doing**".
2. Ensure that the client himself says what and when the "**next action**" or "**next payment**" will be.
3. **Use empathy in voice**, if client is sad then agent should also adapt.
4. If the client says he has "**no time**" 24% more likely to pay the debt, those who have time to talk are less likely to pay the debt.

Case study #1

Win/Loss by Prospect Talk %

*“Increasing the prospect’s talk time from **22%** to **33%** significantly boosts opportunity win rates”*

Case study #1

Ask the right *amount* of questions

Case study #2

The customer service company (Locksmith) discovered that it is possible to increase the conversion rate by **5%** by applying the following strategies:

1. It is more likely to close the deal if the agent gives “**educational advice**” or “**consultation**” about materials, methods, etc. rather than give price straight away
2. More likely to close deal if prolong conversation and **delay pricing topic.**
3. If you client is objecting the price, ask for the **budget** and, if possible, offer a discount.
4. If cancelation, then **ask for reason**, in 3% cases using questions possible to win back deal
5. It is more likely to close deal when **using empathy in voice**, if client is sad then agent also should adapt.
6. It is more likely to close deal when using **words of comfort.**
